Draft, Deliberative

Hi Dave,

Please see two draft responses for your review and signature. The topic is Florida's assumption of the Section 404 wetland permitting program. The main content of both letters are identical, but the addressee information is different. I had Mindy review and update the messaging this morning. Once you are comfortable with the draft responses, please review and sign both. If you have any edits or questions, please let me know. [AX-20-000-0512]
